Price Guide

The background of the entire page is decorated with various party-themed illustrations. At the top, there's a brown brushstroke graphic. Below it, a string of gold balloons is strung across the width. A banner with alternating blue and pink polka-dot triangular flags hangs below the balloons. The background is filled with falling blue and pink confetti. At the bottom, two large, stylized party hats are visible, one purple and one pink, both decorated with white stars. The word "Birthdays" is written in a large, golden, cursive font at the very bottom.
